Statement of Intent

We feel passionate about all children feeling welcome and included when arriving at any of the schools in the Kaleidoscope Multi Academy Trust, whatever their educational or cultural background. We aim to make any child feel included from the moment that step through the entrance gate in all aspects of the school life taking into account each pupil's needs and experiences. Our inclusive attitude towards learning ensures that pupils feel valued and able to express themselves in both their home language and English. We work hard to meet the needs of all pupils with EAL and ensure they access the curriculum and enables them to make good progress. Each school works closely with new parents through admissions and induction offering information and advice to ensure they understand how they can support their child and family within school and in the wider community.

Definition

EAL is defined as:

'A pupil is recorded to have English as an additional language if they are exposed to a language at home that is known or believed to be other than English. This measure is not a measure of English language proficiency or a good proxy for recent immigration.' (DfE Schools, Pupils and their Characteristics July 2020)

EAL children may be:

- Newly arrived from a foreign country and school
- Newly arrived from a foreign country, but an English-speaking school
- Born abroad, but moved to the UK at some point before starting school
- Born in the UK, but in a family where the main language is not English
- Seeking Asylum or have refugee status

EAL children will need varying levels of provision so that they can access all aspects of the curriculum
