Dear Parent/Carer,

We come to the end of another very busy year. Although there have been no lockdowns, we have faced disruption due to high numbers of staff and pupil absences. We are pleased that our schools have got back to 'normal' with many usual events such as sports days and performances able to take place. It has been wonderful that our Kaleidoscope events - Maths Fair, Spelling Bee and Year 6 Celebration were able to go ahead and were so successful.

A lot has been accomplished this year. Our new Executive Leadership Team was created, we have developed our kaleidoscope Early Years Framework and developed our approach to pedagogy/teaching and learning. Our teachers at the start of their career have been well supported as part of the Early Careers Teacher framework. A great deal has been going on to develop and improve our offer to children, families and staff.

Six of our seven schools underwent Ofsted Inspections and Kaleidoscope as a Multi-Academy Trust received a three day Ofsted MAT Summary Evaluation. The report will be published on our website as soon as possible. We are happy as this was a positive experience for our Trust.

We would also like to thank all other staff who will be leaving Kaleidoscope at the end of this term and wish you all the best for the future.

### **Governors**

Governors give up their time on a voluntary basis to work with our schools.

Joy Donovan will be stepping down as Chair of Governors at Becket.

Maggie Young steps down as Crockerne Chair, but will continue as a Governor.

I am sure that you will join me in thanking them for their hard work and dedication to their schools and all Governors for their ongoing support.

### **Year 6**

We say goodbye to our Year 6 pupils who end their time at Primary School. They have been a credit to our schools and achieved well in their end of Key Stage assessments. We would like to wish them luck in their move to Secondary School.

Finally, a lot has been crammed into this year and there are many things for us to celebrate. All of these successes have been made possible by the collaborative nature of Kaleidoscope and the hard work and dedication of our staff, children, Governors, Trustees and Members.

On behalf of the Trustees and Members, we would like to thank you for supporting our schools and hope that you manage to have some time to relax over the summer.

Yours sincerely,

Simon Marriott
