Dear Parent/Carer,

We hope that your child/ren have settled into school and are enjoying their first few weeks in Reception. For some of you, this will be your first child to start school, and the process may be daunting and emotional. For others you may have been through this experience before. We hope that you have had a positive start and that you and your child have received a warm welcome and had access to clear information and communication throughout the induction process.

Your school is part of Kaleidoscope Multi-Academy Trust. We are 7 Primary Schools within North Somerset. Our staff are passionate about Primary education and strive to do the very best for our families and community. Our offer is encapsulated within our 5Cs below. Our schools aim to be and promote the following values and ethos.

Our leaders and staff work in a collaborative way to develop and provide high quality Primary education, pastoral care and support our children's wellbeing. We provide opportunities for our staff to develop expertise within their roles. They are a strong team who work closely together. In this way we ensure that best practice and excellence is created and shared. Your child will have many opportunities to take part in events within their school, but also with children from schools across Kaleidoscope.

The Kaleidoscope Central Team are friendly and approachable. We work hard to support our schools, children and families. You can contact us by telephone: 01934 640941 or by email:
