Kaleidoscope Multi Academy Trust

Scheme of Delegation

Summary

The Kaleidoscope Multi Academy Trust (KMAT) is the legal entity responsible for the governance of all academies within the Trust. The Chief Executive Officer (CEO) is accountable for the performance of all academies within the Trust. The Kaleidoscope Multi Academy Trust shall have regard to any guidance as to the governance of academies that the Secretary of State may publish to the extent permitted by the governing documents.

Kaleidoscope Multi Academy Trust Board of Trustees is accountable in law for all decisions about its academies. However, this does not mean that the Board makes all the decisions itself and as such, may choose to delegate to the CEO, Board Committees and Local Governing Bodies (LGB). The decision to delegate a function is made by the full Board of Trustees and is recorded as such. **Without formal delegation, the individual or committee has no power to act.**

For all levels of governance, Kaleidoscope corporately commits to The Seven Principles of Public Life (The Nolan Principles):

Selflessness	All our decisions are taken in the public interest
Integrity	We will not act or take decisions in order to gain financial or other material benefit for ourselves, our family, or our friends
Objectivity	Our decisions are taken impartially, fairly and on merit, using the best evidence and without discrimination or bias
Accountability	We are open to submit ourselves to external scrutiny
Openness	We take decisions in an open and transparent manner
Honesty	We are truthful in our actions, decisions and reporting
Leadership	We demonstrate the highest standards of public life in our individual and corporate behaviour

In addition to the above, our Governance meetings are conducted in a spirit of openness and transparency and therefore it is essential that confidentiality is maintained at all times outside of meetings.

The Scheme of Delegation will be published on the Trust and its schools' websites.

The Objectives

The object of the Trust is to advance for the public benefit education in the UK, establishing, maintaining, carrying on, managing and developing schools providing high quality education to

students from all backgrounds by offering a broad and balanced curriculum and fostering collaboration across the Trust family of schools, other schools, educational establishments, the wider community for the benefit of the community and in line with schools' vision and values. In relation to all church academies these are to be conducted in accordance with the principles, practices and tenets of the Church of England both generally and in particular in relation to arranging for religious education and daily acts of worship.

Purpose of the Kaleidoscope Multi Academy Trust Scheme of Delegation

The Scheme of Delegation is the key document defining which functions have been delegated and to whom. This Scheme of Delegation ensures that Members, Trustees, Trust Board Committees, LGBs, Executive Leaders and Headteachers are clear about who has authority for making which decisions in the Trust. This overarching Scheme of Delegation covering all decision making in the Trust, is not to be confused with the written Scheme of Delegation of financial powers referred to in the Academies Financial Handbook. This Scheme of Delegation explicitly establishes who makes which decisions, and ensures this is clear to both those within the MAT, as well as to the governing bodies of schools potentially looking to join. It will demonstrate clearly the lines of accountability. (Please refer to Appendices).

This Scheme of Delegation will:

- Ensure that the roles and responsibilities across the MAT are clearly understood
- Promote a culture of transparency and accountability
- Identify the mechanism for the appointment and performance management of all leaders
- Set out mechanisms for policy and practice in each school
- Set out mechanisms for the creation and monitoring of each school's budget
- Set out mechanisms for risk management
- Set out mechanisms for the oversight of educational performance in each school
- Set out mechanisms to ensure that Church schools promote their Christian distinctiveness and operate within the policy and expectations of the Church of England and Diocese of Bath and Wells

Vision and Values

Vision

Kaleidoscope's Vision is to create a Multi Academy Trust of exceptional and distinctive schools which deliver outstanding education and learning, who share best practice to raise standards and build aspiration for the children and members of its community, maintaining the positive diversity and choice for parents.

This vision will be achieved through the Trusts commitment, to the following Values:

Values

Distinctiveness:

We value and celebrate each school's individuality and diversity whilst growing and learning together. For Church Schools, this includes their Christian distinctiveness.

Trust:

We value the opportunity to work openly together in achieving our individual and common goals and aspirations.

Integrity:

We value honesty and professionalism when facing and overcoming challenges.

Fairness:

We value a community that has equality at its core; both in contributions and outcomes for all.

Friendship:

We value the mutual support and challenges of colleagues within a close community of schools.

Commitment:

We value the close collaborative relationship within our community for the benefit of all in support of group and individual needs.

Kaleidoscope's 5 Cs

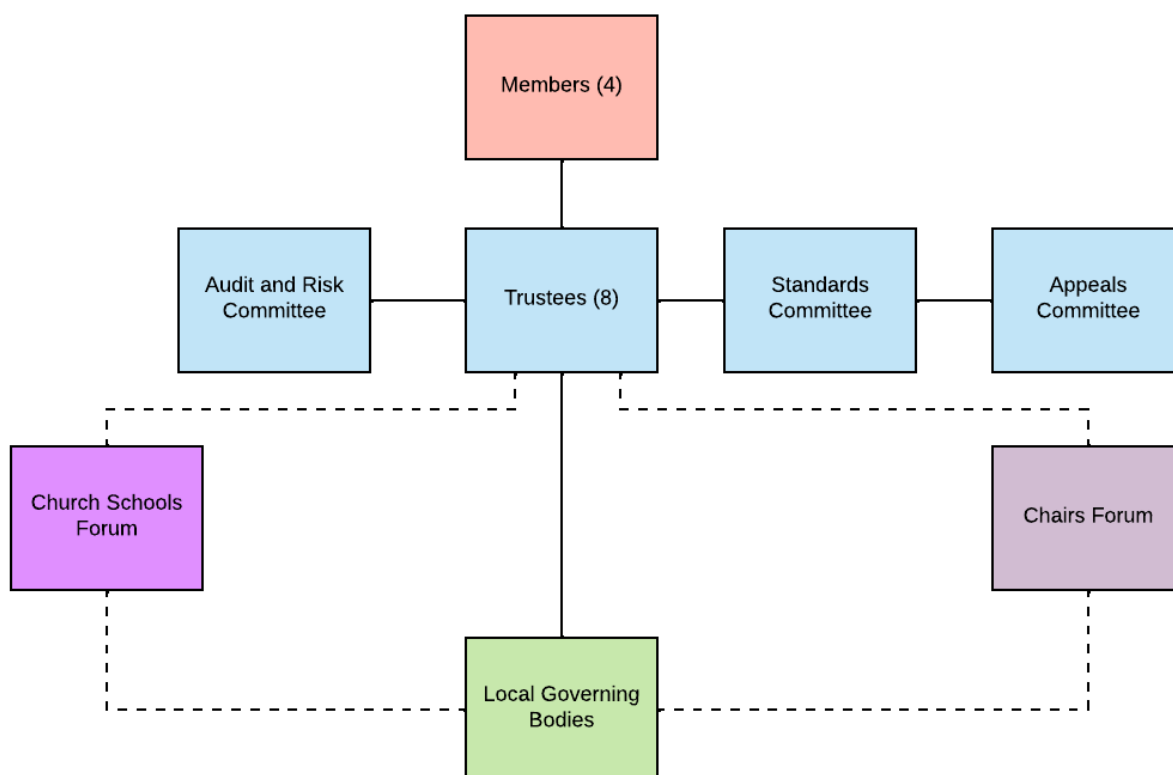

Strategic Aims

To achieve our vision and meet our values we aim to:

- Maintain a knowledge of each other's school and learn from the distinctive characteristics and individuality of each school.
- Maintain and promote the Christian distinctiveness of the Church schools within KMAT.
- Provide a collaborative responsibility for ensuring:
 - All schools are enabled to deliver the best possible outcomes for all learners

- Sharing of best practice, assets and resources
- Continuous improvement for all schools
- Widening of curriculum and enrichment opportunities for all pupils
- To value each other's contributions, make improvements which are broadly aligned with each school's SDP/SIP and current governmental guidance and be accountable to each other and the communities we serve.
- Share, monitor and measure our educational and wellbeing goals for all children in schools within the Collaboration.
- Create structures which achieve better management of resources through efficiencies in the provision and procurement of goods and services.
- Oversight of the management of estates to ensure long term sustainability and safety
- Ensure safeguarding policy, practice and procedures follow national and local statutory guidelines.
- Explore and access additional sources of funding to support our aims.
- Embed high aspirations and tackle low achievement and performance.
- Develop our staff and provide additional career opportunities.
- Ensure that KMAT continues to work with all partners e.g. LA, other Trusts, the Diocese.
- Become a leading light in the development of high quality teaching and learning and share our successes with others.
- Be a centre of best practice and innovation.
- Put the mental health, wellbeing and safeguarding of our children, families and staff at the centre of everything we do.

Governance Structure

Accountability

The Board of Trustees delegates responsibility for delivery of the vision and strategy to the CEO. The KMAT Trust Board holds the CEO to account for the performance of the Trust, including the performance of the academies within the Trust. The CEO in turn holds other senior leaders to account by line managing them.

The Scheme of Delegation also includes delegation to the CEO, Executive Headteachers and Headteachers as well as to the committees of the Board of Trustees. The Board cannot delegate its responsibility or accountability, but delegates some of the detailed scrutiny, oversight and decision-making.

As the CEO is accountable to the Board for the performance of the Trust as a whole, the CEO will report to the Board on the performance of the Trust including on the performance of the Trust's schools, although this may be supplemented by monitoring reports from the LGBs, external advisors and agencies.

The Trust Board determines on a case by case basis whether to delegate some day to day decision making, actions and monitoring concerning the performance of each school to the Local Governing Body (LGB).

Factors which may influence the decision to delegate include:

- The 7 Principles of Public Life are enacted and embedded
- School performance
- Meeting safeguarding requirements
- Meeting health and safety requirements
- A recent Ofsted report
- A recent SIAMs report (for Church Schools)
- Financial and administrative performance
- Leadership and governance capacity and capability
- Due diligence
- RAG Rating

Kaleidoscope operates with aspects of local delegation within a collaborative model.

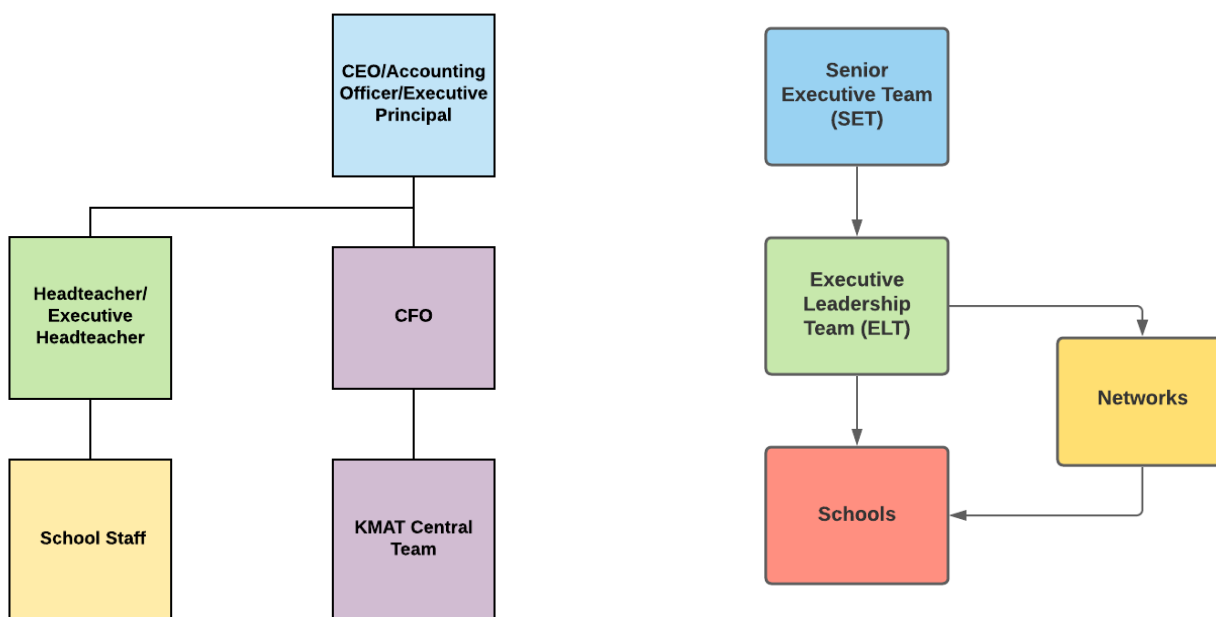

Regardless of the schools' performance, the Board of Trustees retains overall control.

This model requires more than one scheme of delegation- see Appendix I and II. Some Local Governing Bodies have specific decision-making powers and some may be advisory (known as Local Academy Councils).

As a sub-committee of the Trust Board, a Local Governing Body with decision making powers reports directly to the Trust Board and its powers and decision-making functions can be amended or revoked by the Board.

The Trust Board will review the performance of the CEO. The CEO is responsible for the performance management of the Executive Headteacher/Headteacher and, where there is an LGB, will seek input from the LGB Chair.

Kaleidoscope Leadership Structure

Kaleidoscope Leadership Structure

For those schools with local level delegation:

The Local Governing Body (LGB) is tasked with monitoring whether the school is working within Kaleidoscope Policies and procedures, whether standards for attainment, progress, curriculum, health and safety, safeguarding, SEND and wellbeing of all are being met. For Church Schools, LGBs are also tasked with monitoring their distinctive Christian ethos. Three times a year Local Governing Bodies will be provided with an overview of headline financial performance within the current year and longer term forecast projections. The LGB will use its detailed knowledge and engagement with stakeholders to ensure that their school is being well run and will report to the Trust Board.

For those academies with restricted delegation:

The Local Academy Council's role is to understand how the school is led and managed, acting as the eyes and ears of the school and its community and have a role in influencing decision-making. They will report to the Trust Board.

Roles and Responsibilities

Members

The Trust comprises- 4 members:

- Ian Blackburn (Chair)
- Anne Davey (Foundation)
- Edward Gregory (Foundation)

- Emma Stacey

The Role of the Members

The Members of the Trust have a different status to Trustees.

Every Trust has members who have a similar role to shareholders of a company limited by shares.

They:

- are the subscribers to the Memorandum of Association (where they are founding members)
- may amend the Articles of Association (a document that outlines the governance structure and how the Trust will operate) subject to any restrictions created by the funding agreement or charity law. The Articles of Association also describe how members are recruited and replaced, and how many of the Trustees the members can appoint to the Trust Board.
- may, by special resolution, appoint new members or remove existing members other than, where there is one, the foundation/sponsor body and any members it has appointed.
- have powers to appoint Trustees as set out in the Trust's articles of association and powers under the Companies Act 2006 to remove Trustees.
- may, by special resolution, issue direction to the Trustees to take a specific action
- appoint the Trust's external auditors and receive (but do not sign) the audited annual report and accounts (subject to the Companies Act).
- have power to change the company's name and, ultimately, wind it up.

Whilst responsibility to conduct the Trust's strategic business sits with the Trustees, if the governance of the Trust by the Board of Trustees becomes dysfunctional the Members will have a strong interest in ensuring the Board has plans to address the issues, or otherwise to remove the Board or individual Trustees and re-appoint Trustees with the skills necessary for effective governance.

Members must meet at least once a year, but in Kaleidoscope meet at least 3 times each year.

Board of Trustees

Current Trustees:

- Dr Tristan Cogan (Chair)
- David Amos (Foundation)
- Elizabeth Carrington-Porter
- Lyn Gilbert
- Walter Lewis
- Clive Wilson (Foundation)
- Jane Barry (Foundation)

The Role of the Trustees

6 Trustees are appointed by Members. The Trustees of Kaleidoscope Multi-Academy Trust are both charity Trustees and company directors. At Kaleidoscope we refer to them as Trustees. Trustees are appointed for their knowledge skills and/or experience, ensuring an appropriate balance between church and non-church representation, in the following areas as required by the Board:

- Corporate and Business Strategy/Development
- Financial
- Human Resources
- Health and Safety
- Safeguarding
- Wellbeing
- Asset management
- Communication, Marketing and PR
- Legal
- Education standards and provision
- Representatives for the Diocese of Bath and Wells
- Chief Executive Officer (Trust Performance and Development – education and standards)

The Trustees are the charity Trustees (within the terms of section 177(1) of the Charities Act 2011) and are responsible for the general control and management of the administration of the Trust in accordance with the provisions set out in the memorandum and articles of association. The Board of Trustees is the accountable body for the performance of all schools within the Trust and as such must:

- ensure clarity of vision, ethos and strategic direction
- hold executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff
- oversee and ensure effective financial performance.

The Trustees must apply the highest standards of conduct and ensure robust governance, as these are critical for effective financial management. They should follow the Governance Handbook, which describes the following features of effective governance in more detail and will aid compliance with the Academy Trust Handbook:

- strategic leadership that sets and champions vision, ethos and strategy
- accountability that drives up educational standards and financial performance
- people with the right skills, experience, qualities and capacity
- structures that reinforce clearly defined roles and responsibilities
- compliance with statutory and contractual requirements (including safeguarding)
- evaluation of governance to monitor and improve its quality and impact.

Trustees must comply with the Trust's charitable objects, with company and charity law, and with their contractual obligations under the funding agreement.

They are to:

- act within their powers
- promote the success of the company
- exercise independent judgement
- exercise reasonable care, skill and diligence

- avoid conflicts of interest
- not accept benefits from third parties
- declare interest in proposed transactions or arrangements.

As an organisation, the Trust has a range of obligations under current legislation and statutory guidance. Trusts obligations include such matters as safeguarding, health and safety and estates management. Ensuring strong governance in these areas will be a key priority for the Board.

Safeguarding

Academy Trust Boards have a duty to:

- safeguard and promote the welfare of children
- have regard to any statutory guidance on safeguarding issued by the Secretary of State
- ensure the suitability of staff, supply staff, volunteers, contractors and proprietors.

When carrying out the Prevent duty as required under section 26 of the Counter Terrorism and Security Act, Trusts are required to follow the Home Office's 'Revised 15 Prevent duty guidance: for England and Wales' and the DfE's general advice 'Protecting children from radicalisation: the prevent duty'.

Additional roles

The Trustees must ensure regularity and propriety in use of the Trust's funds, and achieve **economy**, **efficiency** and **effectiveness** – the three elements of **value for money**. The Trustees must also take ownership of the Trust's financial sustainability and its ability to operate as a going concern.

Health and Safety

Under the Health and Safety at Work Act the Academy Trust, as an employer, is responsible for the health and safety of its staff, pupils, and any visitors.

Trust Boards should follow the Department's 'Health and Safety: responsibilities and duties for schools' as well as 'Health and Safety Executive (HSE) guidance for Education'.

Academy Trusts have a duty to manage asbestos in their schools effectively, compliant with the Control of Asbestos Regulations 2012.

Estates management

KMAT's estate is both an asset and a mechanism to deliver outcomes for pupils. The DfE expects Trusts to manage their school estate strategically and maintain their estate in a safe working condition.

The KMAT Trust Board will delegate to the CEO responsibility for the day to day operations of the Trust. The Trustees can determine whether to delegate any governance functions. The Trust has the right to review and adapt its governance structure at any time which includes removing delegation.

The Chair of Trustees

The Chair is responsible for ensuring the effective functioning of the Board and has a vital role in setting the highest expectations for professional standards of governance and accountability for the Board. It is the Chair's responsibility to give the Trust Board clear leadership and direction, keeping it focused on its core functions. The Chair's role will be informed by the Governance Professionals advice and support.

The Role of the Committees

The Trustees have established committees either with delegated authority to make decisions or for the purpose of providing advice and support, informing the overall work of the Trust Board. However, these committees are not legally responsible or accountable for statutory functions – the Trust Board retains overall accountability and responsibility. The responsibilities of Board committees are set out in their terms of reference; the responsibilities of Local Governing Bodies (LGB) are set out in the Kaleidoscope LGB Terms of Reference. The Trust Board will formally appoint committee members and committee chairs.

The committees are:

- Audit and Risk
- Standards
- Appeals
- Local Governing Bodies

The Role of the Chief Executive Officer (CEO)

The CEO has the delegated responsibility for the operation of the Trust including the performance of the Trust's academies and ensuring the performance management of the Headteachers (in partnership with the LGB) is carried out.

The CEO is the Accounting Officer so has overall responsibility for the operation of the academy Trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability; avoiding waste and securing value for money.

The CEO leads the executive management team of the academy Trust. The CEO will delegate executive management functions to the executive management team and is accountable to the Trust Board for the performance of the executive management team.

The Role of the Accounting Officer

At KMAT, The Accounting Officer is the CEO. The appointment of an Accounting Officer does not remove the Trustees' responsibility for the proper conduct and financial operation of the Trust.

The Accounting Officer role includes specific responsibilities for financial matters. It includes a personal responsibility to Parliament, and to ESFA's accounting officer, for the Trust's financial resources. Accounting officers must be able to assure Parliament, and the public, of high standards of probity in the management of public funds, particularly regularity, propriety and value for money. Accounting officers must adhere to the 7 principles of public life.

The Accounting Officer must have oversight of financial transactions, by ensuring the Academy Trust's property and assets are under the Trustees' control, and measures exist to prevent losses or misuse by ensuring bank accounts, financial systems and financial records are operated by more than one person and keeping full and accurate accounting records to support their annual accounts.

The Accounting Officer completes and signs a statement on regularity, propriety and compliance each year and submits this to ESFA with the audited accounts. The Accounting Officer must also demonstrate how the Trust has secured value for money via the governance statement in the audited accounts.

The Accounting Officer has a duty to raise concerns. They must take personal responsibility (which must not be delegated) for assuring the Board that there is compliance with the funding agreement and handbook. They must advise the Board in writing if action it is considering is incompatible with the articles, funding agreement or handbook. Similarly, the Accounting Officer must advise the Board in writing if the Board fails to act where required by the funding agreement or handbook. Where the Board is minded to proceed, despite the accounting officer's advice, the Accounting Officer must consider the Board's reasons and if the Accounting Officer still considers the action proposed by the Board is in breach of the articles, the Funding Agreement or Handbook, the Accounting Officer must notify ESFA's Accounting Officer immediately in writing.

The Role of the Chief Finance Officer (CFO)

The Board has appointed a CFO, who is the Trust's finance director and business manager to whom responsibility for the Trust's detailed financial procedures is delegated. The CFO plays both a technical and leadership role. The CFO is employed by the Trust.

The Governance Professional (Clerk to the Board)

KMAT has appointed a Governance Professional to support the Board of Trustees who is someone other than a Trustee, Headteacher, Chief Executive of the Trust.

The Governance Professional contributes to the efficient functioning of the Board by providing:

- guidance to ensure the Board works in compliance with the appropriate legal and regulatory framework, and understands the potential consequences of non-compliance
- independent advice on procedural matters relating to operation of the Board
- administrative and organisational support.

The Role of the Headteacher/Executive Headteacher

The Executive Headteacher/Headteacher is line-managed by the CEO. Heads of School are line managed by the Executive Headteacher. The Headteacher or Head of School is responsible for the day to day leadership and management of the school. The Executive Headteacher/Headteacher will report to the LGB on matters that have been delegated to that committee as set out in the Scheme of Delegation. The Executive Headteacher/ Headteacher is responsible for all aspects of performance, ensuring that their school meets School

Development/Improvement Plan targets and contributes to the achievement of Trust priorities, the realisation of its vision and exemplifying its values. All the Executive Headteachers/Headteachers/Heads of School share responsibility for the performance of pupils and staff across the Trust. Each Executive Headteacher/Headteacher/Head of School is a member of the Kaleidoscope Executive Leadership Team, as part of which they have focused areas of responsibility across KMAT.

The Role of the Chairs' Forum

The Chairs Forum is represented by Chairs of Governors from each of the schools in the Multi Academy Trust. The purpose of this group is to ensure a clear pathway of information to and from the CEO and Trust Board members, ensuring that their school's Governors are kept informed and updated. Its purpose is to develop and consolidate the collaborative ethos, coordinate training and share good practice at a senior level that is already established and to make suggestions as to the next areas of collaboration and development. Its role is also to ensure that Trust Policy, procedures and practice are embedded across each school and LGB.

The Role of the Local Governing Body (LGB)

LGB's will elect their Chairs, ensure that parents are elected to each LGB and will follow the structure and organisation as outlined within the KMAT Terms of Reference for Local Governing Bodies. Responsibilities will include:

- Building an understanding of how the school is led and managed.
- Working within agreed KMAT policies.
- Ensuring local policies are in place, up to date and followed.
- Ensuring the school is meeting the agreed targets.
- Monitoring and reporting that the school website complies with statutory and KMAT requirements, is clear, informative and promotes the school
- Monitoring and reporting that KMAT safeguarding procedures and training are in place.
- Monitoring and reporting that staff and pupil wellbeing is a high priority.
- Monitoring and reporting that the KMAT Health and Safety procedures and training are in place and followed.
- Monitoring and reporting that the school building is safe and well managed.
- Monitoring and reporting that the school has a broad and balanced curriculum and meets national and local requirements.
- Being aware of the headline financial position of the school
- Engaging with stakeholders.
- **In the case of Church Schools – demonstrating Christian distinctiveness and working with the agreed policies and principles of the Church of England and Diocese of Bath and Wells.**
- Forming a panel to review complaints and exclusions.
- Supporting the recruitment process.
- Providing a representative to advise the CEO as part of the Headteacher/Executive Headteacher appraisal process.
- Reporting to the Board through the Governor representative attending the Chairs Forum.
- Supporting school leaders.
- For the Chair (or representative if the Chair is not available) to attend the Kaleidoscope Chairs Forum

Locally delegated responsibilities can be removed if Trustees determine that the LGB is unable to meet Key Performance Indicators. (See Kaleidoscope RAG Rating).

The Role of the Local Advisory Committee (LAC)

Where necessary the Trust Board will establish an Advisory Board in a school and will appoint the chair and ensure parents are represented. The Advisory Board will:

- Seek to understand how the school is led and managed; the Headteacher will report termly on how the school is fulfilling the Trust's ethos, vision and strategy.
- Act as the panel when reviewing the head's decisions on exclusions, and parents' complaints.
- Be the consultative body for the school's stakeholders.
- Represent the school's stakeholders.
- Forge links with the community.
- Act as an ambassador for the school.

Model for School Improvement

As set out in our vision statement, the core purpose of KMAT is to deliver an exceptional education for all learners in our Trust community. We will use this principle in developing an effective model for school improvement, which will ensure impact on the achievement and life chances of every child in the Trust.

In order to achieve this, we have established the following Quality Assurance Procedures.

RAG Rating System

Each school will have its RAG rating updated terms 1, 3 and 5 under the following headings:

- Ofsted grade
- SIAMS grade (if appropriate)
- Pupil attainment
- Pupil Progress
- Leadership and Management
- Quality of Education
- EYFS
- Attendance
- Behaviour and Attitudes
- Wellbeing/Personal Development
- Safeguarding
- Governance
- Finance
- HR/Staffing
- Health and Safety
- Overall rating

If the school is showing a range of red indicators across key areas then the following process is applied.

- 1) Meeting with the CEO to discuss issues and review actions, and support – in line with the School Improvement Pathway.
- 2) If rapid improvement is not evidenced a full review is undertaken by the CEO and School Improvement Partner.
- 3) If the outcome of the review causes concern (leadership capacity cannot enable rapid improvement) then the Trust Board will meet to determine whether the school maintains its locally delegated responsibilities.

Executive Leadership Team

As part of our collaborative model, each Headteacher/Executive Headteacher and Heads of School are members of the Executive Leadership Team. Each is responsible for leading a key area across KMAT and works with the CEO to ensure that this area follows statutory requirements and best practice.

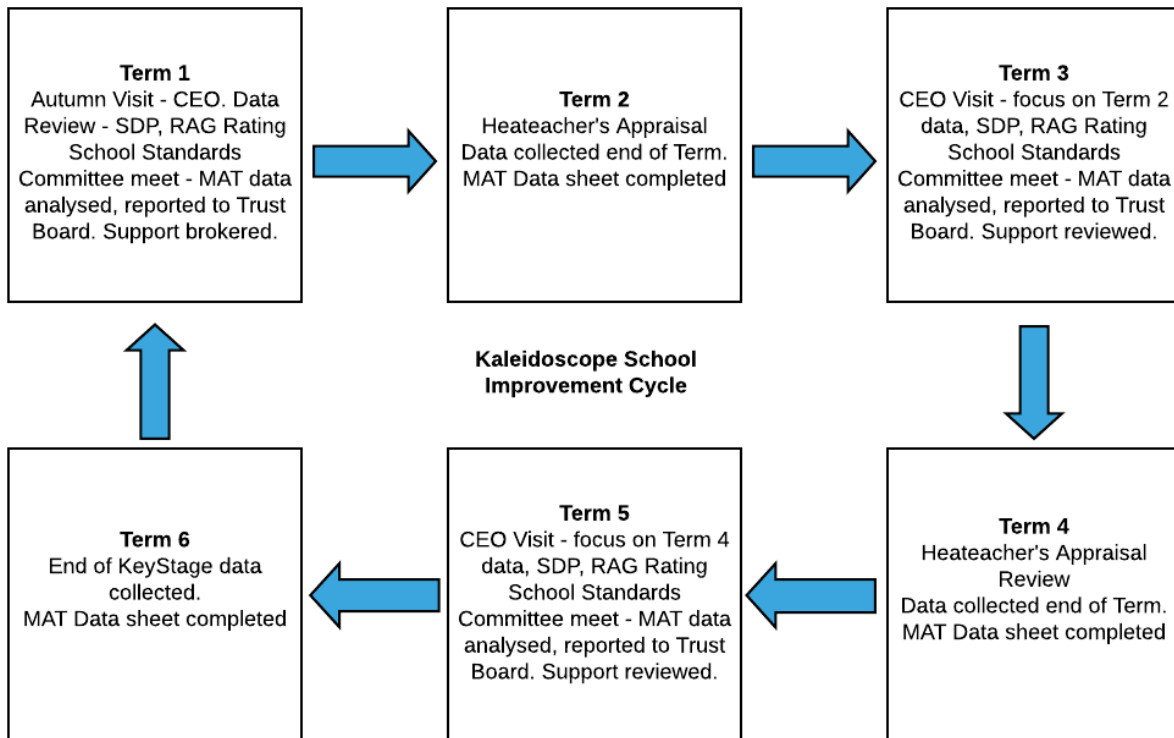

Networks

Networks are led by representatives from schools. They are responsible for working with the Executive Leadership Team to develop and implement practice across subjects and key areas across KMAT.

Shared Data Systems

KMAT schools use Fisher Family Trust (FFT) systems to record assessment data over the year. There is a KMAT Assessment Timetable which details when assessments are taken and by which year group. This enables analysis at a school and MAT level. This information is reported to the Trust Board (monitored in detail by the Trust Standards Committee) and used to focus school improvement support or share best practice across KMAT. End of Key Stage outcomes are also analysed using FFT. It is used to support the RAG rating judgement. Currently FFT does not support in year EYFS data. KMAT uses its own spreadsheet for this. Individual schools will also collect their own data to support teaching, subject and school development.

School Improvement Cycle

Each school will have a Review conducted by our external Advisor linked to an area of school improvement

Additional support will follow the School Improvement Pathway document

Actions following identification of Schools at risk of underachievement:

1. CEO, School Improvement Adviser and Designated Board Member meet with school leaders to identify key areas for improvement and write School Support Plan (see below).
2. Resource implications of the School Support Plan identified and shared with the Trust Board.
3. Other schools and/or outside agencies contacted to ensure support is available for the identified areas.
4. Plan implemented and monitored by the CEO on a regular basis.
5. A School is removed from category when targets are met and there is evidence of sustainable improvement.

Resources currently available in the MAT to support schools:

- Very experienced Headteachers with a strong track record of improvement also supported by very able and experienced Senior Leaders
- Expertise in all curriculum areas and SEND across the schools
- An external School Improvement Adviser
- A Trustee Board Member with 20 years' experience as an Adviser/Ofsted Registered Inspector and Lead Officer for Schools Causing Concern in a Local Authority
- Members and Governors with a range of skills and expertise
- The Executive Leadership Team
- A database of Trust Academy staff with identified expertise and a willingness to support other schools
- Financial advice and support from the Central Team
- HR support
- Compliance support for buildings and estates
- A wide range of external contacts which could be bought in if necessary.
