Next Review: September 2025		

1. Aims

Kaleidoscope Multi-Academy Trust (KMAT) recognises that working in schools is challenging and fast paced. Schools need to respond quickly to national and local changes, as well as striving for high academic outcomes, we are playing an increasing role in supporting vulnerable families and dealing with safeguarding incidents and concerns.

This policy aims to:

- Support the wellbeing of all staff to avoid negative impacts on their mental, spiritual and physical health
- Provide a supportive work environment for all staff
- Acknowledge the needs of staff, and how these change over time
- Allow staff to balance their working lives with their personal needs and responsibilities
- Help staff with any specific wellbeing issues they experience
- Ensure that staff understand their role in working towards the above aims

2. Promoting wellbeing at all times

KMAT places a high priority on staff wellbeing. We want our staff to be happy in their roles and to feel that they are valued and play a vital contribution to the operation of their school and KMAT. This policy outlines some of our approaches to make this possible.

When making changes to policy and practice, we always take workload into consideration. Our working practice, systems and procedures need to be smart, relevant and have an impact on the children, staff and wider community. Change for the sake of it is not positive for anyone. School Leaders are reflective and will review the impact of changes and adjust where necessary after taking feedback from stakeholders. By allowing sufficient time for changes, explaining the process and reasons why the change is needed, working together to make them and provide necessary training, we aim to reduce any stress or anxiety associated with poor change management.

Our leaders and staff should be approachable and we have put in place measures to support staff who need it. This includes

The Health Assured Employee Assistance Programme, 0844 891 0356 which includes;

- *Free 24/7 counselling, legal & information line*
- *Critical incident advice & telephone support*
- *Online health portal & access to the My Healthy Advantage app*
- *Relationship management support & usage reporting**
- *Management support line & counselling*
- *Manager support guides*

The Education Support Helpline 08000 562 561 offers 24-hour support.

Staff also have access to mental health and wellbeing support on the National College cpd system

Staff wellbeing is also a regular focus of Trust Board and Local Governing Body meetings.

Wellbeing will be a continued focus during appraisals.

KMAT has signed up to the DfE Education Staff Wellbeing Charter and will work to follow the best practice and advice it provides. Our HR policies are based upon North Somerset's model policies.
